1.- Socio-educational accompaniment

www.lemma.nu

CATEGORIES

- .- **DREAMS**: the objectives (general and specific) that each young person had set for themselves in their life and migrant journey (goals, expectations, etc).
- .- **BARRIERS**: the lack of opportunities and the obstacles that had been posed to them throughout their lives.
- .- **SUPPORT**: Support that in some way (formal and informal) had contributed to overcoming the lack of opportunities and obstacles, and to achieving their objectives.
